

ATTENTION PARTYGOERS

PLEASE BE ADVISED THAT
THE USE OF NON-CLEVER AND HASTILY ASSEMBLED
SARAH PALIN COSTUMES
ARE STRICTLY FORBIDDEN ON THESE PREMISES

Whereas:

- You were not going to be the only one wearing it. It's painfully obvious
- You are not being frugal, just lazy. Your friends thought up and likely paid for costumes. You are wearing a pair of glasses and a dress of your mom's
- We don't care that "you can do the accent." Everyone can do the accent. We get it, she says "you betcha" a lot
- Seriously, there were like five people at Jim's party going as Sarah Palin, this is getting ridiculous
- We don't care if you're a dude in a wig either

THIS POLICY WILL BE STRICTLY ENFORCED UNLESS I AM DATING YOU
